The applicant or co-applicant must meet all of the college graduate program qualifications.

<sup>1</sup>College Graduate Finance Program (which is not a rebate and instead offers competitive APRs and lease terms) is available on eligible lease or finance of contracts for untitled new vehicles and eligible finance of contracts for Certified Pre-Owned (CPO) Mazda vehicles. Subject to the foregoing limits and requirements below, the College Graduate Finance Program is available upon credit approval through Mazda Financial Services (MFS) at participating Mazda dealers for finance contracts with terms up to 84 months or lease contracts with terms up to 60 months for new vehicles. Certain term restrictions apply for the financing of CPO Mazda vehicles. Not all applicants will qualify. To qualify for the College Graduate Finance Program, applicants must meet one of the following qualifications: Graduated or will graduate with a two-year trade or vocational degree or certification (within 6 months before graduation or within 24 months after graduation date) OR graduated or will graduate from an accredited community college, junior college, technical college or university with an Associate's Degree (within 6 months before graduation or within 24 months after graduation date) OR graduated or will graduate from an accredited college, university or registered nursing program with a Bachelor's Degree (within 6 months before graduation or up to 24 months after graduation date) OR currently enrolled graduate students attending an accredited graduate school or up to 36 months after graduation date with a Master's or Doctoral degree. Eligible applicants must meet proof requirement under one of the following applicable options: If graduating within 6 months: provide a letter from the registrar's office stating graduation date and type of degree; OR provide a copy of transcript that states current classes, credits earned, or credits needed for degree. If graduated within 24 months from date of purchase: provide a diploma or copy of final transcript that states type of degree and date earned. If enrolled in an accredited graduate school: copy of current transcript confirming enrollment in a graduate degree program; OR letter from the college/university registrar's office enrollment in a graduate degree program. At contract signing, eligible customers must furnish verifiable proof of present or future employment, which will begin within 120 days of credit approval, with a salary sufficient to cover ordinary living expenses and vehicle payments. During the last 24 months, all obligations on your credit report must have been paid within 60 days of the due date and your credit report must not show more than \$1,000 in total charge-offs.
